TALKABOUT T82 EXTREME

GO BEYOND.

The TALKABOUT T82 EXTREME is the rugged travel companion you need on your wildest adventures. With an IPx4 rating, the T82 EXTREME is weatherproof - able to withstand the harshest environments. The new hidden display makes calling easier and comes alive when you need it. The easy pairing button makes setup a breeze. A built-in LED torch provides emergency light when needed so you can read your map in the dark. And with essential accessories and a range of up to 10km*, the TALKABOUT T82 EXTREME keeps you in touch whether you're on the roughest treks or highest peaks.

All of this is wrapped in a handy carrying case and available in three versions: Twin pack with everything you need to get you started, Quad pack for larger groups and Remote Speaker Microphone pack that lets you speak and listen without having to reach for your radio.

* Depending on terrain and conditions.

TALKABOUT™

ENHANCED FEATURES

WE DESIGNED THE TALKABOUT T82 EXTREME WITH ADDED FEATURES TO MAKE SURE YOU ARE ABLE TO GO BEYOND.

RUGGEDNESS, WEATHERPROOF, EASY PAIRING AND THE HIDDEN DISPLAY ARE JUST A FEW OF THESE FEATURES.

The TALKABOUT T82 EXTREME is a great addition to bring on your snowboarding, climbing, biking, hiking or skiing adventures.

TALKABOUT™

PMR446 UNLICENSED FREQUENCIES

UNBOX AND GO.

TALKABOUT RADIOS UTILISE PMR446 UNLICENSED FREQUENCIES FOR EASY, COST EFFECTIVE OPERATIONS.

No subscription or call charges and 16 channels** with user selectable privacy codes (121 sub codes per channel) help ensure a clear signal, with a range of up to 10km*.

TALKABOUT T82 EXTREME radios are also compatible with other TALKABOUT radios and with any other radio operating on the same PMR446 frequencies.

TALKABOUT™

IPx4 WEATHERPROOF

TOUGH AND READY.

Bring on the extreme. The TALKABOUT T82 EXTREME has an IPx4 weatherproof rating. This IPx4 rating guarantees protection from splashing water no matter what direction it is coming from.

The TALKABOUT T82 EXTREME walkie-talkie withstands the effects of rain, snow and other weather conditions so you are free to go beyond.

Weatherproof IPx4

TALKABOUT™

EASY PAIRING

PAIR AND GO.

Easy pairing lets you and your family or friends programme all of your radios to the same channel and code simultaneously. So now you can spend less time preparing, and more time exploring.

HIDDEN DISPLAY

SLEEK AND SOPHISTICATED.

The LED display on the TALKABOUT T82 EXTREME turns on to deliver the information you need, only when you need it. You'll only see the icons you are using, which makes calling that much simpler. And, when you're not using your radio, the display is hidden. The result is a clean and sophisticated design that you'll love at first sight.

TALKABOUT™ LED TORCH

LET THERE BE LIGHT.

On any adventure, it's crucial to be able to see what you are doing and where you are going. The TALKABOUT T82 EXTREME has a built-in LED torch so you can get to where you need to be, even in the dark.

The LED torch also gives you the ability to read maps at night and easily see into backpacks and bags so you know you have an emergency light when needed.

EMERGENCY FEATURE

WE NOT ONLY WANT TO KEEP YOU CONNECTED ON YOUR WILDEST ADVENTURES, WE WANT TO KEEP YOU SAFE! WE DESIGNED THE TALKABOUT T82 EXTREME WITH AN ADDED EMERGENCY FEATURE SHOULD YOU FIND YOURSELF IN NEED...

There is an emergency button on the side of the **TALKABOUT T82 EXTREME** – press and hold this for 3 seconds and a loud alarm will sound, and also activate the hands free (iVOX) feature for you to transmit your call to your group requesting help****.

**** The Emergency Alert feature should only be used in the event of an actual emergency. Motorola Solutions is not responsible if there is no response to the emergency alert from the receiving group.

TALKABOUT™

DUAL POWER

THE TALKABOUT T82 EXTREME ENSURES YOU CAN STAY IN TOUCH ON EVEN THE LONGEST DAY OF ADVENTURES BECAUSE YOU CAN USE BOTH THE INCLUDED RECHARGABLE BATTERY OR STANDARD AA BATTERIES.

The **TALKABOUT T82 EXTREME** is supplied as standard with 800mAh NiMH rechargeable battery packs. This gives you up to 18*** hours so you can keep on exploring.

Need more runtime? No problem! You can use the optional high capacity 1300mAh battery pack for up to 26*** hours of power.

Dual Power

Use rechargeable NiMH batteries included, or 3 AA batteries

*** Based on standard usage of 5/5/90 cycle.

TALKABOUT™

MICRO USB CHARGING

CHARGE WHERE YOU WANT.

We know that you want to use your TALKABOUT T82 EXTREME on the go, so we have included a mains charger with micro USB cables. This charger has an integrated Y cable, so you can charge two walkie-talkies at the same time.

Because the TALKABOUT T82 EXTREME has a USB port, you can connect any USB cable to a computer, or power pack for a quick charge.

The optional USB vehicle adaptor is also available so you can connect your TALKABOUT T82 EXTREME in the car and charge while you drive to your next destination.

TALKABOUT™

VIBRATE ALERT

BE DISCREET. AND NEVER MISS A CALL.

Set your TALKABOUT T82 EXTREME radio to vibrate instead of ring. The vibrate alert is especially useful in locations where ringing can be intrusive, or in loud environments where excessive noise may prevent you from hearing your ring tone.

TALKABOUT™

HANDS **FREE**

KEEP ON EXPLORING.

When you are hiking up a steep mountain trail, you really need to keep your hands free to handle the rocky terrain. With iVOX/VOX capable radios you can enjoy convenient communication with a headset (VOX) or without a headset (iVOX) without having to push a button. Let your voice do all the work to activate the microphone so you can keep moving without ever having to stop to make a call.

PERSONALISATION STICKERS

MAKE IT YOURS.

Don't lose track of which radio is yours again. The TALKABOUT T82 EXTREME comes with a series of personalisation stickers which will help your radio stand out from the crowd. Want to add a more personal touch? Create your own with the additional blank stickers!
